CSS STUDENT PARKING POLICY

1. The charge for parking will be **\$5.00**.
2. Every vehicle parked on CSS grounds **must** have a parking permit stuck to the bottom left hand corner of the windshield. To get a permit, students must complete a school parking registration form, turn it in to the office, show a driver's license and registration.
3. **PLEASE READ CAREFULLY.** All vehicles are to be parked in either of two designated areas in lined, unnumbered or unreserved spaces: either in the lot outside the cafeteria, or at the Rotary Pool Parking lot in lined spaces only. Students who park elsewhere, such as reserved or visitors' spaces, handicapped spaces, the front or rear of the school, fire lanes, loading lanes or unlined areas such as outside the storage shed, in the courtyard between rooms 412 and 113 or along the fence outside room 116 **WILL BE TOWED AT STUDENT'S EXPENSE**.
4. *The parking lot is to be used only for parking vehicles.* Students are not permitted to use the parking lot for social gathering places. Students are not permitted to sit in parked vehicles. This applies at break, lunch and during class time.
5. Students must **not** exceed speeds of **10km/hr** on the school grounds. Parking privileges of students who exceed this limit will be suspended or revoked.
6. Given limited parking due to construction, the parking permit is not a guarantee that a space is available. Because many of our students only drive occasionally, more permits are issued than there are spots available. All student parking is first come first served.
