BOARD OF EDUCATION School District #33 (Chilliwack)

605 POLICY Technology Use

The Board of Education believes that student, staff and community learning are supported by access to online learning resources and communication tools through the use of district and personal technology. It is committed to providing an infrastructure that supports broad access to networks that allow safe, reliable and responsible uses of technology that enhance, but does not impede, the delivery of curriculum or the learning environment.

The Board supports a technology plan that provides a minimum standard of technology for all schools and provides opportunities for innovation and staff development in the use of technology to enhance student learning.

The Board of Education expects all users of district technology to adhere to the district guidelines regarding use of technology and access to information.
