COMPASS STUDY

Our school will be participating in the 2019-2020 COMPASS Survey. Researchers from the University of British Columbia will ask students to complete a 35-minute questionnaire about healthy eating, physical activity, sedentary behavior, smoking, alcohol and drug-use, mental health and bullying. The survey is confidential and no names are written on the surveys. More information on 3rd page of this newsletter!

If you do not wish for your child to participate, please call the COMPASS Data Collection Coordinator, Katie Weatherson, at 1-877-744-4940 or contact Jessica Adams-Loupret at the school office by November 25th. Consent will be assumed unless you notify us otherwise.
