Assessment Week

January 20-24, 2020

RATIONALE:

The Ministry of Education has changed the traditional provincial examination structure and has provided new opportunities for students and teachers to assess learning for all courses. The modified schedule for assessment week will accommodate both final assessments and other opportunities for students to showcase their learning. Each classroom teacher will provide students with specific information about their plan to assess and/or showcase learning for their course as well as possible makeup and study sessions. We view this week as an important part of the learning, assessing and reporting process and will expect students to attend all required sessions. **Please be reminded that all Provincial Assessments are mandatory for graduation.**

SCHEDULE:

Time	Monday	Tuesday	Wednesday	Thursday	Friday
8:30-11:30am	Provincial Assessments	Provincial Assessments	Provincial Assessments	Provincial Assessments	Provincial Assessments Conflicts
11:30-12:02	Lunch				
12:02-2:45	Block A/E Class Assessments	Block B/F Class Assessments	Block C/G Class Assessments	Block D/H Class Assessments	Early Dismissal

Note: Students in semester courses will have double blocks on Monday - Thursday. A detailed schedule of teacher offerings and exams is posted on our website.

SUMMARY:

Day	Expectations for Students
Monday-Thursday	All students attend their regular classes when scheduled in the afternoon. Students are to attend Provincial Assessments when scheduled.

*Students who are writing exams need to remain in class for a minimum of one hour. Once students have left class, they may either leave campus for lunch after the morning session, or head home in the afternoon. If students choose to stay on campus, they may either stay in a classroom previously arranged with a teacher present or stay in the Grand Hall which will be supervised. Students are not to be in the hallways as this is a disruption to students in other classes.
