PROGRAM OVERVIEW

The Hairstylist Program is a 10- month program located at Chilliwack Secondary School. Students spend one semester of each of their Grade 11 and 12 years in the program completing theory, salon training and 2 on-the-job work practical's. Students complete their other graduation requirements at their regular school during the remaining two semesters.

**Students will graduate on time with their classmates if they successfully complete the program requirements.*

YEAR ONE

Semester 1

Regular School working on grad required courses

Semester 2

Hairdressing Program @ CSS
4 courses

YEAR TWO

Semester 1

Hairdressing Program @ CSS
4 courses

Semester 2

Regular School working on grad required courses

PRE-REQUISITES

Student should:

- be in a position to complete graduation requirements
- be mature, responsible, self-motivated, independent learners
- be physically capable of completing the work required in the program
- have a willingness to work at the salon afterschool
- be 15 years of age or older to participate in the program
- be 19 years or under upon completion of the program and not yet achieved Ministry of Education graduation

BENEFITS OF THE PROGRAM

Upon successful completion of this Hair Stylist program, you will be prepared for a variety of employment opportunities in the Hair Design Industry. According to the BC Business Council strong growth continues across all industry sectors.

Students gain knowledge and experience in working with clients. Students work on: improving their communication skills, career development, public and personal hygiene, public safety and overall salon ecology. They practice and develop skills and abilities required to be successful in this career field.

The program follows ITA standards taught throughout BC; students will be given credit for the theory component of their technical training required to achieve Red Seal journey person status.
