Re: Chilliwack Secondary School 2024 Grad Dinner Auction

The presenter of this letter is a Chilliwack Secondary School graduating student or the parent of a student who will graduate this year. Our school will be holding a Grad Dinner Auction to help offset the expenses for our grads. The auction is being held on Wednesday, March 6th at Chilliwack Secondary School.

We are seeking your assistance in the donation of items for the auction: products, services, gift certificates, etc. We recognize that your response to this request will be determined to the context of our current economic times.

However, whatever you can do for our Graduates of 2024 would be greatly appreciated and acknowledged at the auction.

Should you require further information or clarification, please call or email at 604-795-7295 or thepromshop@sd33.bc.ca

Sincerely,
