

Join Us in Building the Future of Chilliwack Storm Football

Dear Chilliwack Community Members, Business Owners, Sports Fans, Parents, Guardians, and Alumni,

We're excited to share that a new chapter in Chilliwack athletics is on the horizon — the **Chilliwack Storm Football Team** is forming, with our first competitive season set for **2026–2027!** As we prepare to take the field in just over a year, our journey begins now — with **training, team-building, and fundraising throughout the 2025–2026 school year.**

This new football program will offer students more than just a chance to compete. It will foster teamwork, discipline, leadership, and resilience — values that last well beyond graduation. We believe sport is a powerful tool to engage and inspire youth, and we are committed to building a program that reflects the strength, pride, and community spirit of Chilliwack.

To bring this vision to life, **we need your help!**

Launching a new team involves significant upfront costs — equipment, training gear, field rentals, uniforms, and travel — all of which require funding long before our players ever take the field. That's why we're reaching out to local businesses, organizations, and individuals who share our passion for youth development and community sport.

We are currently seeking **sponsorship and financial support** to help build a strong foundation for Chilliwack Storm Football. Your support will go directly toward making this program a reality — and every contribution, big or small, makes a difference.

We have designed sponsorship opportunities at various levels, and we're happy to work with you to find a meaningful way to acknowledge your support. In return, you'll be helping shape a program that will empower students for years to come, while also gaining valuable visibility within our community.

If you're interested in becoming a sponsor or would like more information, please don't hesitate to reach out. We would love to connect and explore how we can partner together.

Thank you for considering this opportunity to invest in the future of our youth and help launch something truly special in Chilliwack.

Warm regards,

Danielle Wicker
Principal
