

To Our Community Supporters:

Re: Chilliwack Secondary School 2026 Grad Dinner Auction

The presenter of this letter is a Chilliwack Secondary School graduating student or the parent of a student who will graduate this year. Our school will be holding our Grad Dinner Auction on Tuesday, March 3rd at Chilliwack Secondary School.

We are seeking your assistance with donations of items for the auction. This could include any products, services, or gift certificates. Whatever you donate will be labelled with your company name and will be a great way to promote your business. We know times are tough for businesses across our community; however, anything you can donate would greatly help the CSS Graduates of 2026.

All proceeds from the auction will go to the student who collected the donation and students who couldn't otherwise afford the costs associated with graduation activities.

Should you require further information or clarification, please call, or email us at 604-795-7295 or thepromshop@sd33.bc.ca

Sincerely,

Leah Laderoute & Val MacDonnell
Grad Fundraising and Prom Coordinators

Below is the contact information for the grad that has dropped off this donation request. Thank you for supporting the grads of Chilliwack Secondary School!
