

## **CHILLIWACK SECONDARY GUIDED LEARNING Application GRADE 12 STUDENTS ONLY**

It is expected that all students enrol in a full course load of eight (8) courses. For a few grade 12's the opportunity for a Guided Learning course will be provided if the following conditions are met:

- **Must have a minimum of a "B" average in Grade 11.**
- **Must be enrolled in four (4) or more Grade 12 courses that are approved for admission to local universities.**
- **Guided Learning course must be scheduled in a semester with two or three of the approved courses.**
- **May be enrolled in multiple extended hour courses.**
- **Students are eligible for only one (1) Guided Learning course in their Grade 12 year.**
- **No spare or assigned time course on the timetable.**

Because we believe that students should take advantage of every learning opportunity possible while at school, and because of our limited facilities, the availability of Guided Learning courses is limited to the students meeting the prescribed criteria.

Students in Grade 12 desiring a Guided Learning course in their final year may apply by completing the form below. The form must be signed by a parent or guardian before being reviewed by the school principal.

**Guided Learning course is a 4 (four) credit course for which you will need to keep a written log and complete compulsory assignments.**
